

### Air Jet

Powered by WhispairPlus, the Masseur air jet aerates the bath water to give you the complete soft body massage. Air jets promote a feeling of well-being to heighten your spa experience.

### Air Button

Superior pneumatic response from a simple button system that allows you to command the on-off operation of your spa blower.

## **WhispairPlus 120**

*Innovative Spa Bath Blower*

- **Whisper Quiet**; relax with the knowledge that the WhispairPlus design is a real quiet achiever.
- **Varispeed**<sup>™</sup>; technology produces a soothing variable air massage. Additionally you can set the WhispairPlus to your favourite air flow.
- **Hygienic**; the automatic sanitization cycle is programmed to expel water from the air tubes 10 minutes after the WhispairPlus has been turned off.
- **ThermalAir**<sup>™</sup>; technology (where fitted) automatically adjusts the inbuilt heater to maximize airflow comfort levels.
- **High Performance**; with strong air flow up to 120 m<sup>3</sup>/hr your WhispairPlus will easily operate 9 to 24 air jets with 10% more air pressure\*.
- **Energy Efficient design**; to save you money. Your WhispairPlus consumes up to 40% less running power\*.
- **Versatile**; the ultra compact and eye-catching design allows for easy installation within the spa zone or outdoors.
